Veterans Educational Benefits

Johns Hopkins is approved by the Maryland Higher Education Commission for the training of veterans and the widows and children of deceased veterans under the provisions of the various federal laws pertaining to veterans’ educational benefits. Information about veterans’ benefits and enrollment procedures may be obtained at web.jhu.edu/registrar/veterans.html or the Office of the Registrar, 75 Garland Hall, 410-516-7071.

Students eligible for veterans’ benefits register and pay their university bills in the same manner as nonveteran students. The Department of Veteran Affairs determines the educational benefit a veteran is eligible to receive. Veterans educational benefits payments cover only a portion of assigned course fees. To receive veterans educational benefits the student must comply with the following procedures:

Initial Enrollment

Once admitted to the university, the student must complete an Application for Program of Education or Training (VA Form 22-1990) from the Department of Veteran Affairs at www.gibill.va.gov (http://www.gibill.va.gov). A copy of the completed application, along with a certified copy of the DD-214, is sent to the Veterans Desk, Office of the Registrar, 75 Garland Hall, The Johns Hopkins University, Baltimore, Maryland 21218.

The student who is transferring from another university or college will need to obtain a Request for Change of Place of Training (VA Form 22-1995) from the Department of Veteran Affairs at www.gibill.va.gov (http://www.gibill.va.gov). The completed form should be sent to the Veterans Desk at the university.

Re-enrollment

Students who received veterans’ benefits at the university the preceding semester and plan to enroll with no change of objective should inform the Registrar’s Office at the time of registration that they want to be recertified under the provisions of their original VA Form 22-1990.

Students receiving veterans’ benefits must take courses that lead toward the exact objective (usually a specific degree) on the original VA application. Otherwise, they must submit a Request for Change of Program (VA Form 22-1995). Students utilizing veterans’ benefits must let the registrar know immediately of any change in their program or status that might affect the amount of their VA payment. If they fail to do so, the Department of Veterans Affairs will seek reimbursement from the student for any overpayment.

Standards of Progress

Continuation of VA payments depends on the student’s meeting the university’s academic standards for all students. The student must also meet any standards of progress which may be established by VA regulations.

The College Navigator Tool

Veteran students may go to the College Navigator (http://nces.ed.gov/collegenavigator) to access a school comparison tool.
